### WATERTOWN, MA.

## Memorial Fundraiser

The Harris J. Booras Chapter #406 is conducting a Memorial Grave Marker campaign for our departed brothers. We are offering individual Bronze markers to all Ahepa chapters, and their families to honor their past members philanthropic memory.

The Fully Bronze markers measure 6 inches in diameter, with a double flag holder in the back. We are requesting a donation of **\$100** (shipping included) per marker.
